The background is a deep red color. It is decorated with a complex pattern of thin, gold-colored lines. These lines form a grid-like structure with various geometric shapes. There are several large, thin-lined circles and triangles. Some of these shapes are filled with a textured, gold-colored material. The lines also form various rectangular and square shapes, some of which are filled with solid colors like dark blue, brown, or gold. The overall effect is a sophisticated, modern, and abstract geometric design.
